Adverting to para 4 of the Appendix to the G.O on the working of auction sales in respect of Toddy &c, states that the Clause exempting people who have already Compounded may be made clear by the addition of the following words.

1) The words suggested to be added at the end of sentence in para 4 are. "He shall not levy any toll from such persons."

2) Rules for orders. If the Amendment now suggested is approved the first Rule 24.11.24 of rule 7 will read as follows:-

"The Contractor shall have no claim to the fees received from persons compounding the payment of toll in accordance with the Standing Rules and orders approved by Government and he shall not levy any toll from such persons"

3) It is a point for Consideration whether this necessary with reference to rule 4 of the Toll Rules. Does the Govt have any hand in the matter

Sir,

With reference to clause 6 of the appendix to Government Order No. L. 6437-57/Ml. 174-22-1 dated 31st March 1923 issuing instructions in regard to the working of auction sales in respect of Local Fund and Municipal Tolls and Market places, I have the honour to state that with a view to clear all doubts in the minds of the contractors it appears desirable to add the following to the first section of the said clause:- 'and he shall not levy any toll from such persons". Some contractors appear to be labouring under the impression that the absence of such a prohibitory clause does not prevent them from insisting on the payment of toll by such persons. As instances of this kind have come to notice, I have made this suggestion for the consideration of Government. I request the favour of early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,
